

Reduce Energy Burden

Electric Partnership Program (EPP)

The Electric Partnership Program (EPP) helps eligible Ohioans reduce their electricity usage in their home.

The EPP provider performs in-home audits and installs appropriate electric energy efficiency measures to reduce electric usage. Customers also receive information on how they can reduce their electric use and improve their home's efficiency.

Income at or below 150% of Federal Poverty Guidelines

Who is Eligible for Energy Efficiency Programs?

Ohioans are eligible for Energy Efficiency programs to help reduce their household **Energy Burdens** if they meet the programs income eligibility requirements of the federal poverty levels. To be eligible for the program, Ohioans must live in the service territory of First Energy, American Electric Power, Duke Energy, or Dayton Power and Light.

To Apply:

Have your MYCAP Customer Service Representative submit a referral to the Energy Services Department, or call 330.747.7921 ext. 1727 and leave a message.

You will be contacted by MYCAP'S Energy Services Support Specialist.

The Community Connections Program (CC)

Community Connections help you reduce your electric bill and keep your home more comfortable in both winter and summer.

Depending on your electricity usage, Community Connections could provide you with an in-home energy use evaluation and energy-saving home improvements such as: Appliance testing and possible replacement, & energy education.

Income at or below 200% of Federal Poverty Guidelines
