

MYCAP Energy Services Department

M. Rivers (EPP Auditor), M. Taylor (Support Specialist), D. Janosik (Assessor, QCI), J. Collier (Assessor, QCI)

Programs run on a Program Year – July 1 – June 30

Home Weatherization Assistance Department (HWAP)
Electric Partnership Program (EPP)
Community Connections (CC)

Applications for services can be referred to MYCAP's Energy Services Department via the HEAP Department or direct contact to the Support Specialist. The Support Specialist will determine the eligibility and place applicants on the program of interests wait list. Once the applicant comes up on the wait list, the Support Specialist will contact the applicant on next steps and the scheduling of appointments. The Energy Services programs are not emergency programs; for that reason, we work as diligently as possible to service all eligible Mahoning County residents.

****Homes serviced through MYCAP'S Energy Sevices Department during Program Year 2019-2020. Due to the COVID-19 Pandemic programs were suspended, but MYCAP looks forward to servicing all eligible Mahoning County Residents during Program Year 2020-2021.**

For more information, call 330.747.7921 Ext. 1727 and leave a message. You message will be returned within 48 hours during regular business hours 8:00 am – 5:00 pm.
